Jerry Nadler beshat himself on live television, then smudged away awkwardly in full view of Pelosi's presser. I hope he reads that.

Anyone see these comments? How perfect, someone said Trump will tell National guard to stand down. Someone said "we need to let them here inside the chambers before they even start". Perfectly laid out what was going to

happen. What a well scripted play.

“In another thread on thedonald.win, responding to the President’s tweets, discussion included how to most effectively sneak guns into Washington, including one individual writing: “Yes, it’s illegal, but this is war and we’re clearly in a post-legal phase of our society.”¹⁰⁶ One supporter wrote out an exact blueprint for the events that unfolded: “But on Jan 6, remember. . .Capital Building/Halls of Congress is ground zero. Jump the lines. Cross the roadblocks. Push past the robo cops. Don't let them usher/kettle us to any other “symbolic” monument. IMPORTANT. They need to hear our roar inside the chambers before the [expletive] begins.”¹⁰⁷ Another wrote: “The capitol is our goal. Everything else is a distraction. Every corrupt member of congress locked in one room and surrounded by real Americans is an opportunity that will never present itself again.”¹⁰⁸ Supporters even predicted that the President would not deploy the National Guard, allowing them to ambush the Capitol Police: “[Trump] can order the NAT guard to stand down if needed. unfortunately he has no control over the Capitol Police... but there are only around 2k of them and a lot are useless fat asses or girls.”¹⁰⁹ Whether or not President Trump was aware of these specific posts, it was widely reported and understood within the federal government that the crowd planning to attending the Save America Rally included many individuals who were armed, dangerous, and prepared to carry out violence. Indeed, the day before the rally, several people were even arrested, including on weapons-related charges, for assaulting a police officer and simple assault.¹¹⁰ One such arrest was the leader of the Proud Boys for destroying a church’s “Black Lives Matter” banner at an earlier pro-Trump post-election rally.¹¹¹ These arrests and reports prompted D.C. Mayor Muriel Bowser to caution residents to avoid the rally, even mobilizing city police.”

What the hell, that's a shill post.

People don't do that here. Anyone talking about violence gets downvoted and deported.

Some antifa just put their plan here in order to get others to tag along.

Is it libel for a congressman to submit false information on a document such as this? Would Trump have one hell of a lawsuit against the government for violation of his civil rights?

quote -> Whether or not President Trump was aware of these specific posts, <- ...

Indeed, the day before the rally, several people were even arrested, including on weapons-related charges, for assaulting a police officer and simple assault. <-- end quote

The only gun arrest I am aware of was a trans anti-trump weirdo from michigan. Who they declined to press charges against:
